LIVES

“IF YOU ARE WORKING ON SOMETHING
EXCITING THAT YOU REALLY CARE ABOUT.
**YOU DON'T HAVE TO BE
PUSHED. THE VISION
PULLS YOU.**” Steve Jobs

2015 is off to a great start! 3 months into the year we can already look back and see the impact our programmes are having on the children, their families and the communities they live in. In between victories and challenges we have taken time to refine our vision, set goals and make sure we keep connected to our mission. Each staff member is committed to:

- ✉ **FINDING NEW FUNDING** to keep our work going.
New funding opportunities are needed to increase the sustainability of each programme and create space for growth.
- 💡 **CREATING EXCITING RESOURCES & PROGRAMMES** to keep our beneficiaries engaged.
Practical tools and programmes allow for a tangible difference to be made in the lives of our beneficiaries.
- 🏠 **IMPROVING WORK SPACES & LIVING CONDITIONS** to make sure our beneficiaries live safely.
Identifying communities and infrastructures that need to be improved in order for the communities to live in healthy harmonious conditions.
- 📁 **ADDING VALUE & WORKING EXCELLENTLY** to maximise the potential of our team!
Continually adding value to the implementation of programmes; working to the best of our ability as individuals and as a team.
- 👥 **MAKING THE PARENTS KEY ROLE PLAYERS** and giving them the opportunity to nurture their children.
Engaging the parents in programmes that allow for them to care for their children better.
- 🤝 **STRENGTHENING RELATIONSHIPS** by understanding our communities and their needs.
Maintaining effective relationships within the team and to gain a deeper understanding of the communities we work in, the parents and their children.
