Pebbles has hired 6 new staff members since January! A driver, professional nurse, a few teachers and another HR officer. Welcome to the Pebbles team!

18TH JULY 2021 MANDELA DAY

Pebbles invites you to commemorate Mandela Day this year by sponsoring much needed classroom resources.

Stationery, glitter, stamps, colour paper, paint and much more is needed to ensure our beneficiaries can learn and grow in the Pebbles classroom environment.

Gather your friends, family or colleagues and pack the items in the comfort of your own home or office and then deliver to the Pebbles Head office on the 16th or 19th of July.

PEBBLES CLINIC

Over 200 Pebbles beneficiaries are seen by the Pebbles clinic on a monthly basis free of charge. This excludes parents of the children and other patients. The Pebbles nurses also do outreach visits to the other Pebbles locations in Citrusdal and Hemel-en-Aarde, as well as train all ECD and After School Club facilitators on various topics. Last months training was on the first aid kit, what items should be included and checking expiry dates.

TWININGS PARTNERSHIP

Pebbles is excited to announce the launch of our partnership with Twinings #SourcedWithCare in Clanwilliam and Citrusdal. The goal of the project is to enable rooibos tea farm workers to take control of their health and to receive the medical support that they need through a Mobile Health Service. It will provide the farm workers and their families with wellness screenings, routine health check-ups, primary healthcare support, health and wellness workshops and over-the-counter health products. This is Twinings first project in South Africa.
