CHANGING LIVES

THE PEBBLES PROJECT: HOSPITALITY FUNDRAISING INITIATIVE

If you are a restaurant, hotel/lodge, store or tasting room manager and would like to support the Pebbles Project, we encourage you to take part in our Hospitality Fundraising Initiative.

There are a couple of options to choose from. It's easy to implement and provides your patrons with an opportunity to make a contribution towards a good cause.

Options include:

- Display a Perspex A5 table stand (dimensions: 21.5x15cm) which contains information about Pebbles Project and includes a QR code that will direct your patrons to our donation platform
- Display a Perspex Pebbles Project donation box (dimensions: 18.5x15.8cm) which includes donation envelopes for cash donations
- Sell our Pebbles Project Relate Bracelets to your patrons (dispenser dimensions: 23x9.8cm)
- Include a sticker to your menu, brochure or flyer which includes a short description of the work of the Pebbles Project and a QR code that will direct your patrons to our donation platform

One of our representatives will personally deliver any/all products requested and a dedicated person will be appointed to be your point of contact and manage the partnership. We will also include your company's logo on our website under our HFI partners.

Should you be interested in taking part in our Hospitality Fundraising Initiative or would like to receive more information, kindly contact us at info@pebblesproject.co.za

We welcome you to let us know if there are other ways in which you would like to support us. We hope that you will consider partnering with us in creating change in the lives of children and families from disadvantaged farming communities.
