

A photograph of two young girls in a rural setting. The girl on the right is older, wearing a grey hoodie with pink floral patterns and a pink zipper. She is smiling and holding the hand of a younger girl. The younger girl is wearing a pink hoodie and dark pants, looking directly at the camera with a serious expression. HEMEL-EN-AARDE NEWS

It has been a tough few weeks for the Hemel-en-Aarde Education Project. After the staff returned from the winter school break, they discovered the bridge was not safe to cross with the school bus. This meant they were unable to access the project. The learners are being taught in the local town hall while the municipality attempt to fix the bridge. Heavy rains has not been in our favour. We are proud of our teachers and learners for ensuring education still takes place under trying circumstances.

SKILLS CENTRE LAUNCH

It all started with a phone call to our offices at the end of March. It was SBA Communications calling and they were interested in donating a building to Pebbles. It is not every day we receive phone calls like this so we were very excited.

After many discussions and planning, it was decided that the building will be used as a Skills Centre for the Early Adulthood Programme in Stellenbosch. The building was completed in August and the official hand over took place at the Stellenbosch Open Day on the 9th of September.

The centre will benefit the Early Adulthood Programme which supports young adults from 15-25 years old. Our aim is to assist them with occupational, entrepreneurial, and various life skills to access sustainable livelihood opportunities.

The centre will benefit 29 young adults with capacity to expand in the future.

Current needs: Kettle, microwave, dustbin, toaster, rug and dishcloths.

JOB SHADOWING AT HILLEBRAND GORI

During the June/July school holidays, 14 Pebbles Ambassadors job shadowed at Hillebrand GORI for 3 days. They were able to experience working in office, warehouse, and factory environments. Thank you for investing in the future of our learners and opening up their experience of the world of work.

We are always looking for partners that are willing to walk a journey with our Pebbles Ambassadors and give them an opportunity to gain a new skill or gain valuable job shadowing experiences. Please reach out to us if this is something you would like to get involved in.
