The FNB Wines2Whales is more about the journey than the destination, but no matter your inclinations or ambitions, you're guaranteed a fun-filled, action-packed three days of riding alongside many like-minded people at the 2025 FNB Wines2Whales SWITCHBACK!

With the reputation of being the most laid back and relaxed of the three events, The Pinotage (3 - 5 November 2025) sees the highest number of FNB Wines2Whales first-timers. The Pinotage also hosts the FNB Wines2Whales E-bike Race and Tour for riders who want to experience the FNB W2W with a little assistance.

Being a mid-week race, The Pinotage is perfect for international tourists and riders from different provinces as it offers the chance to participate in the event and plan an enjoyable weekend on either side.

As one of the official beneficiaries, the Pebbles Project has four coveted ***Pinotage Standard Tent Entries*** available.
